**NOTES:**

1. The Ministry of Corporate Affairs (**"MCA"**) has, vide its General Circular dated September 22, 2025, read together with circulars dated April 8, 2020, April 13, 2020, May 5, 2020, January 13, 2021, December 14, 2021, May 5, 2022, December 28, 2022, September 25, 2023 and September 19, 2024 (collectively referred to as "**MCA Circulars**"), permitted convening of the Annual General Meeting ("**AGM" / "Meeting**") through Video Conferencing ("**VC**") or Other Audio-Visual Means (**"OAVM"),** without physical presence of members at a common venue. In accordance with the MCA Circulars and applicable provisions of the Companies Act, 2013 (**"the Act"**) read with Rules made thereunder and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (**"Listing Regulations"**), the AGM of the Company is being held through VC / OAVM. The deemed venue for the AGM shall be the registered office of the Company.

2. Generally, a member entitled to attend and vote at the Meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself / herself and the proxy need not be a member of the Company. Since this AGM is being held through VC / OAVM pursuant to the MCA Circulars, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the AGM and hence, the Proxy Form and Attendance Slip are not annexed hereto.

3. Since the AGM will be held through VC / OAVM, the route map of the venue of the AGM is not annexed hereto.

4. In terms of the provisions of Section 152 of the Act, Mr. Vatan Pathan, Director of the Company retires by rotation at the Meeting. The Nomination and Remuneration Committee and the Board of Directors of the Company commend his re-appointment.

   Mr. Vatan Pathan is interested in the Ordinary Resolution set out at Item No. 2 of this Notice with regard to his re-appointment. The relatives of Mr. Vatan Pathan may be deemed to be interested in the Ordinary Resolution set out at Item No. 2 of this Notice, to the extent of their shareholding, if any, in the Company.

   Save and except the above, none of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the Ordinary Business set out under Item Nos.1 to 3 of this Notice.

5. Details of Director retiring by rotation at this Meeting is provided in the "**Annexure**" to this Notice.

**DISPATCH OF ANNUAL REPORT THROUGH ELECTRONIC MODE:**

6. **In compliance with the MCA Circulars and Regulation 36(1)(a) of the Listing Regulations, Notice of the AGM along with the Annual Report for the financial year 2025-26 is being sent only through electronic mode to those members whose e-mail address is registered with the Company / Registrar and Transfer Agent / Depository Participants / Depositories. Further, in compliance with Regulation 36(1)(b) of the Listing Regulations, a letter providing the web-link, including the exact path, where Annual Report for the financial year 2025-26 is available, is being sent to those members whose e-mail address is not registered with the Company / Registrar and Transfer Agent / Depository Participants / Depositories.**

   **Members may note that this Notice and Annual Report for the financial year 2025-26 will also be available on the Company's website at www.hathwaybhawani.com, website of the Stock Exchange i.e. BSE Limited at www.bseindia.com and on the website of the Company's Registrar and Transfer Agent, KFin Technologies Limited ("KFinTech") at https://evoting.kfintech.com.**

**PROCEDURE FOR 'REMOTE E-VOTING' AND E-VOTING AT THE AGM ('INSTA POLL'):**

**18A. E-VOTING FACILITY:**

Pursuant to the provisions of Section 108 and other applicable provisions of the Act read with the Companies (Management and Administration) Rules, 2014, as amended, and Regulation 44 of Listing Regulations read with circular of SEBI on e-Voting Facility provided by Listed Entities, dated December 09, 2020, the Company is providing to its members facility to exercise their right to vote on resolutions proposed to be passed at the AGM by electronic means ("**e-voting**"). Members may cast their votes remotely, using an electronic voting system on the dates mentioned herein below ("**remote e-voting**'').

Further, the facility for voting through electronic voting system will also be made available at the Meeting ("**Insta Poll**") and members attending the Meeting who have not cast their vote(s) by remote e-voting will be able to vote at the Meeting through Insta Poll.

The Company has engaged the services of KFinTech as the agency to provide e-voting facility.

**The manner of voting, including voting remotely by (i) individual members holding shares of the Company in demat mode, (ii) members other than individuals holding shares of the Company in demat mode, (iii) members holding shares of the Company in physical mode, and (iv) Members who have not registered their e-mail address, is provided in the instructions given below.**

**The remote e-voting facility will be available during the following voting period:**

| | |
|---|---|
| **Commencement of remote e-voting** | **9:00 a.m. (IST) on Sunday, August 16, 2026** |
| **End of remote e-voting** | **5:00 p.m. (IST) on Tuesday, August 18, 2026** |

The remote e-voting will not be allowed beyond the aforesaid date and time and the remote e-voting module shall be forthwith disabled by KFinTech upon expiry of the aforesaid period.

**Voting rights of a Member / Beneficial Owner (in case of electronic shareholding) shall be in proportion to his / her / its shareholding in the paid-up equity share capital of the Company as on the cut-off date i.e. Wednesday, August 12, 2026 ("Cut-off Date").**

The Board of Directors of the Company has appointed Mr. Jayesh Shah (Membership No. FCS 5637) or failing him Mr. Himanshu Kamdar (Membership No. FCS 5171), Practicing Company Secretary, Partners - Rathi and Associates, Practicing Company Secretaries, as Scrutiniser to scrutinise the remote e-voting and Insta Poll process in a fair and transparent manner and they have communicated their willingness to be appointed and will be available for the said purpose. The Scrutiniser's decision on the validity of the votes cast through remote e-voting and Insta Poll shall be final.

**B. INFORMATION AND INSTRUCTIONS RELATING TO E-VOTING ARE AS UNDER:**

i) **The members who have cast their vote(s) by remote e-voting may also attend the Meeting but shall not be entitled to cast their vote(s) again at the Meeting.**

ii) **Once the vote on a resolution is cast by a Member, whether partially or otherwise, the Member shall not be allowed to change it subsequently or cast the vote again**.

iii) A Member can opt for only single mode of voting i.e., through remote e-voting or voting at the Meeting (Insta Poll). If a Member casts vote(s) by both modes, then voting done through remote e-voting shall prevail and vote(s) cast at the Meeting shall be treated as "INVALID".

iv) **Only a person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the Cut-off Date only shall be entitled to avail the facility of remote e-voting or for participation at the AGM and voting through Insta Poll. A person who is not a member as on the Cut-off Date, should treat this Notice for information purpose only.**

v) The Company has opted to provide the same electronic voting system at the Meeting, as used during remote e-voting, and the said facility shall be operational till all the resolutions proposed in this Notice are considered and voted upon at the Meeting and may be used for voting only by the members holding shares as on the Cut-off Date who are attending the Meeting and who have not already cast their vote(s) through remote e-voting.

**(I) (A) In case member receives an e-mail from the Company / KFinTech [for members whose e-mail address is registered with the Company / RTA / Depository Participant(s)]:**

a. Launch internet browser by typing the URL: https://evoting.kfintech.com.

b. Enter the login credentials **(User ID and password given in the e-mail)**. The E-Voting Event Number + Folio No. or DP ID Client ID will be your User ID. If you are already registered with KFinTech for e-voting, you can use the existing password for logging in. If required, please visit https://evoting.kfintech.com or contact toll-free number 1800 309 4001 [from 9:00 a.m. (IST) to 6:00 p.m. (IST) on all working days] for assistance on your existing password.

c. After entering these details appropriately, click on "LOGIN".

d. You will now reach Password Change Menu wherein you are required to mandatorily change your password upon logging in for the first time. The new password shall comprise minimum 8 characters with at least one upper case (A-Z), one lower case (a-z), one numeric (0-9) and a special character (@,#,$,etc.). The system will prompt you to change your password and update your contact details like mobile number, e-mail address, etc. on first login. You may also enter a secret question and answer of your choice to retrieve your password in case you forget it. **It is strongly recommended that you do not share your password with any other person and that you take utmost care to keep your password confidential.**

e. You need to login again with the new credentials.

f. On successful login, the system will prompt you to select the E-Voting Event Number (EVEN) for Hathway Bhawani Cabletel & Datacom Limited.

g. On the voting page, enter the number of shares as on the Cut-off Date under either "FOR"/"AGAINST" or alternatively, you may partially enter any number under "FOR" / "AGAINST", but the total number under "FOR" / "AGAINST" taken together should not exceed your total shareholding as on the Cut-off Date. You may also choose to "ABSTAIN" and vote will not be counted under either head.

h. Members holding shares under multiple folios / demat accounts shall choose the voting process separately for each of the folios / demat accounts.

i. Voting has to be done for each item of this Notice separately. In case you do not cast your vote on any specific item, it will be treated as "ABSTAINED".

j. You may then cast your vote by selecting an appropriate option and click on "SUBMIT".

k. A confirmation box will be displayed. Click "OK" to confirm, else "CANCEL" to modify.

l. Once you confirm, you will not be allowed to modify your vote.

m. Institutional / Corporate Members (i.e., other than Individuals, HUFs, NRIs, etc.) are also required to send legible scanned certified true copy (in PDF Format) of the Board Resolution / Power of Attorney / Authority Letter, etc., together with attested specimen signature(s) of the duly authorised representative(s), to the Scrutiniser at e-mail id: js@rathiandassociates.com with a copy marked to evoting@kfintech.com. Such authorization shall contain necessary authority for voting by its authorised representative(s). It is also requested to upload the same in the e-voting module in their login. The naming format of the aforesaid legible scanned document shall be "Corporate Name EVEN."

**(B) In case of a member whose e-mail address is not registered / updated with the Company / RTA / Depository Participant(s), please follow the following steps to generate your login credentials:**

## ADDITIONAL INFORMATION AS REQUIRED UNDER THE SECURITIES AND EXCHANGE BOARD OF INDIA (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

The following Statement sets out all material facts relating to the business mentioned under item No. 3 in this Notice:

**Item no. 3**

The Board of Directors of the Company ("Board"), at its meeting held on July 14, 2026, on the recommendation of the Audit Committee and considering the experience and expertise, has proposed to the members the appointment of Deloitte Haskins & Sells Chartered Accountants LLP, Chartered Accountants (Firm Registration No. 117364W/W100739) as the Auditors of the Company for a term of five (5) consecutive years commencing from the conclusion of this 42nd Annual General Meeting until the conclusion of the 47th Annual General Meeting.

Nayan Parikh & Co., Chartered Accountants (Firm Registration No. 107023W), present Auditors of the Company, hold office until the conclusion of the 43rd Annual General Meeting, in accordance with the terms of their appointment.

Accordingly, it is proposed that Deloitte Haskins & Sells Chartered Accountants LLP shall act as Joint Auditors along with Nayan Parikh & Co. until the conclusion of the 43rd Annual General Meeting and thereafter, continue as the Auditors of the Company for the remainder of its term, i.e., until the conclusion of the 47th Annual General Meeting.

The Board believes that this transition arrangement will ensure continuity in the audit process, facilitate an orderly handover and further strengthen the Company's audit framework in view of the scale and complexity of its operations.

Deloitte Haskins & Sells Chartered Accountants LLP have consented to their appointment and have confirmed that their appointment, if made, will be in accordance with the provisions of the Companies Act, 2013 and that they satisfy the eligibility criteria prescribed under Section 141 of the Companies Act, 2013. They have further confirmed that they have subjected themselves to the peer review process of the Institute of Chartered Accountants of India (ICAI) and hold a valid certificate issued by the Peer Review Board of the ICAI.

Deloitte Haskins & Sells was constituted in 1997 and has been converted to a Limited Liability Partnership (LLP), with the name Deloitte Haskins & Sells Chartered Accountants LLP ("**DHS CA LLP**" or "**Firm**"), w.e.f., June 2, 2021. DHS CA LLP is registered with the Institute of Chartered Accountants of India ("ICAI") (Registration No. 117364W/W100739) and is a part of Deloitte Haskins & Sells & Affiliates being the Network of Firms registered with the ICAI. It has offices in major cities in the country. It has been engaged in statutory audits of several large companies across various sectors.

The proposed remuneration payable to Deloitte Haskins & Sells Chartered Accountants LLP for the financial year 2026-27 shall be ₹ 5,00,000/- (Rupees Five Lakh only), excluding applicable taxes and reimbursement of out-of-pocket expenses. The remuneration for the subsequent years of their term shall be determined by the Board of Directors based on the recommendation of the Audit Committee. There is no material change in the remuneration proposed to be paid to Auditors for the financial year 2026-27 and the remuneration paid to Nayan Parikh & Co. for the financial year 2025-26.

None of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution.

The Board of Directors commends the Ordinary Resolution set out at Item No. 3 of this Notice for approval by the members.

# MANAGEMENT DISCUSSION & ANALYSIS

**GLOBAL ECONOMY OVERVIEW:**

Global growth is projected to remain resilient at 3.3% in 2026 (rates similar to the estimated 3.3% outturn in 2025) and at 3.2% in 2027. The forecast marks a small upward revision for 2026 and no change for 2027 compared with that in October 2025 World Economic Outlook (WEO).

This steady performance on the surface results from the balancing of divergent forces. Headwinds from shifting trade policies are offset by tailwinds from surging investment related to technology, including artificial intelligence (AI), more so in North America and Asia than in other regions, as well as fiscal and monetary support, broadly accommodative financial conditions, and adaptability of the private sector.

Global headline inflation is expected to decline from an estimated 4.1% in 2025 to 3.8% in 2026 and further to 3.4% in 2027. The inflation projections are also broadly unchanged from those in October and envisage inflation returning to target more gradually in the United States than in other large economies.

Since October 2025 WEO, trade tensions have continued to abate but remain subject to occasional flare-ups. A dispute between China and the United States involving controls on exports of semiconductors and rare earth minerals was quickly followed by a truce that reduced bilateral tariffs until November 2026 and introduced a pause on export controls. US authorities also removed, for all countries, tariffs on some agricultural products, offsetting the higher tariffs on certain sectors that were previously announced and are now in effect. This leaves the overall US effective tariff rate at about the same level as assumed in October 2025 WEO but the changes for specific countries can be meaningful.

Against this backdrop of stabilizing trade tensions and supportive financial conditions, the global economy has continued to be remarkably resilient, adapting to the shifting landscape and with momentum varying across countries and sectors. In aggregate, global growth in the third quarter of 2025 decelerated to 2.4% on an annualized basis, above expectations but with upside surprises in some countries offset by downside surprises in others. A boost from aerospace exports lifted growth to 2.2% in France, whereas falling exports continued to weigh on activity in Germany, leaving real GDP unchanged from the second to the third quarters.

Rebuilding fiscal capacity and maintaining public debt sustainability are crucial, especially as rising spending needs persist. At a minimum, commitment to credible medium-term fiscal consolidation is required. Efforts to replenish fiscal buffers should be anchored in realistic assumptions, including those regarding long-term spending pressures, and sound debt management practices while seeking to strike the right balance in regard to growth-friendly adjustment. Countries should aim to bolster fiscal revenues, rationalize expenditures, and strengthen expenditure efficiency by, among other things, crowding in private investment.

Beyond the navigation of near-term trade-offs and challenges, elevating medium-term growth prospects remains the most effective strategy for resolving macroeconomic dilemmas. Structural reforms targeting labor markets, education, regulatory frameworks, and competition will drive productivity, potential output, and job creation. Moreover, harnessing technological progress through digital transformation, AI adoption, and investment in renewables and energy-efficient systems, among other possibilities, can accelerate productivity gains and expand growth potential. These efforts should not be jeopardized but rather be aligned with a rebalancing of the global economy, which is a crucial element of sustainability. Weaving in growth-enhancing measures together with efforts to fortify the EU single market, to chart a credible fiscal consolidation plan to put US public debt on a decisively downward path, and to advance China’s reforms to strengthen the social protection system and scale back unwarranted industrial policy support would help diversify the sources of global growth.

**INDIAN ECONOMY OVERVIEW:**

Even as the global economy navigates uncertainty, India continues to chart a State of the Economy 99 strong growth path, as reflected in the First Advance Estimates (FAE) for FY26 released by the Ministry of Statistics and Program Implementation (MoSPI). These estimates place the real GDP growth rate at 7.4% and the GVA growth rate at 7.3%, surpassing earlier projections by various agencies and our own estimates in the Economic Survey of 2024-25, and reaffirming India’s status as the fastest-growing major economy for the fourth consecutive year. On the demand side, domestic demand continues to anchor growth, supported by a strengthening momentum in capital formation. On the supply side, manufacturing activity has gained traction, and services continue to drive overall expansion, led by steady performance in trade, transport, and financial and professional services.

Domestic demand continues to underpin economic growth in FY26. According to the FAE, the share of final private consumption expenditure in GDP rose to 61.5% in FY26, the highest level since FY12. This is corroborated by the strong performance during the first half of the year, with Private Final Consumption Expenditure (PFCE) growing by 7.5% in H1 of FY26, and its share in GDP rising to 61.4%. This is the fastest growth rate since the first half of FY23 and remains higher than the pre-COVID trend of 6.9%. This strength in consumption reflects a supportive macroeconomic environment, characterized by low inflation, stable employment conditions, and rising real purchasing power. Moreover, steady rural consumption, bolstered by strong agricultural performance, and the gradual improvement in urban consumption, aided by the rationalisation of direct and indirect taxes, reaffirm that the momentum in consumption demand is broad-based.

Along with consumption, investment has continued to anchor growth in FY26, with the share of gross fixed capital formation (GFCF) estimated at 30.0%. Investment activity strengthened in the first half of the year, with GFCF expanding by 7.6%, exceeding the pace recorded in the corresponding period last year and remaining above the pre-pandemic average of 7.1%. This momentum was buoyed by sustained public capital expenditure and a revival in private investment activity as evident from corporate announcements. Reflecting this strength, the share of GFCF in GDP remained steady at 30.5% in H1 of FY26, well above the pre-pandemic average of 28.6%. Together, these developments indicate a strengthening of the investment cycle, supporting growth.

From a supply-side perspective, growth in GVA during FY26 was led by the industry and services sectors, supported by sustained capital expenditure, improved capacity utilisation, and steady demand for services. Agriculture has provided a stabilising force, with output supported by favourable monsoon conditions and steady value addition from allied activities.

**Future outlook**

The FY26 was an unusually challenging year for the economy on the external front. Heightened uncertainty in global trade and the imposition of high, penal tariffs created stress for manufacturers, particularly exporters, and affected business confidence. The government responded by using this crisis as an opportunity to push through key measures such as GST rationalisation, faster progress on deregulation, and further simplification of compliance requirements across sectors. FY27 is therefore expected to be a year of adjustment, as firms and households adapt to these changes, with domestic demand and investment gaining strength. That said, it must be acknowledged that the external environment remains uncertain, which shapes the overall outlook.

The outlook for the global economy remains dim over the medium-term, with downside risks dominating. At the global level, growth is expected to remain modest, leading to broadly stable commodity price trends. Inflation across economies has trended downward, and monetary policies are therefore expected to become more accommodative and supportive of growth. However, certain key risks persist. If the AI boom fails to deliver the anticipated productivity gains, it could trigger a correction in overly optimistic asset valuations, with the potential for broader financial contagion. Additionally, a protraction of trade conflicts would weigh on investment and further weaken the global growth outlook. These forces collectively suggest that downside risks to global growth remain prominent, although a fragile stability holds for now.

For India, these global conditions translate into external uncertainties rather than immediate macroeconomic stress. Slower growth in key trading partners, tariff-induced disruptions to trade and volatility in capital flows could intermittently weigh on exports and investor sentiment. At the same time, ongoing trade negotiations with the United States are expected to conclude during the year, which could help reduce uncertainty on the external front. While these risks remain manageable, they reinforce the importance of maintaining adequate buffers and policy credibility.

Against this backdrop, the domestic economy remains on a stable footing. Inflation has moderated to historically low levels, although some firming is expected to occur going forward. Balance sheets across households, firms and banks are healthier, and public investment continues to support activity. Consumption demand remains resilient, and private investment intentions are improving. These conditions provide resilience against external shocks and support the continuation of growth momentum. The forthcoming rebasing of the CPI series in the coming year will also have implications for inflation assessment and warrant careful interpretation of price dynamics.

Importantly, the cumulative impact of policy reforms over recent years appears to have lifted the economy's medium-term growth potential closer to 7%. With domestic drivers playing a dominant role and macroeconomic stability well anchored, the balance of risks around growth remains broadly even. Taking these considerations together, the Economic Survey projects real GDP growth in FY27 in the range of 6.8% to 7.2%. The outlook, therefore, is one of steady growth amid global uncertainty, requiring caution, but not pessimism.

The Indian M&E sector grew 9.1%, exceeding the nominal GDP per capita growth after two years.

Advertising grew even faster at 13.5% due to the growth in e-commerce and point-of-sale advertising, and improved credit to MSMEs, whose share in industrial credit reached an all-time high of 33% in December 2025.

At 63% of the total advertising, digital advertising dominated marketing budgets in 2025.

India produced almost 200,000 hours of content in 2025, a majority of which was in regional languages other than Hindi.

96% of content was produced for TV (excluding news bulletins), 2% for films, 1% for OTT and 1% for short video and micro-dramas.

**Television**

- We expect television households to cross 200 million by 2028.
- Linear TV revenues will decline at 5% until 2028, with advertising falling at 7% while subscription falls at 3%.
- With Connected TV viewership projected to reach 83 million households by 2030, Pay TV content will compete for eyeballs with other digital content and non-broadcaster OTT and social media platforms; this will drive innovation.
- Bundled offerings will accelerate as DPOs counter cord cutting by integrating Pay TV content with IPTV and broadband services.
- With FreeDish at an estimated 53 million homes (and larger than active pay DTH), broadcasters could intensify their FTA strategy.
- Pricing and packaging will evolve to protect Pay TV - broadcasters will offer smarter bundles at differentiated price points.
- Interactivity on TV will increase to deepen digital connect and build first-party consumer data.
- Growth in India's population will increase Indian households from 332 million in 2025 to 345 million by 2028. Further, the middle-class population is projected to grow substantially, reaching 715 million in 2030-31 and 1.02 billion in 2046-47. This will, in turn, increase the demand for TV sets.
- Connected TV homes are expected to increase to 67 million by 2028, as broadband access in the home increases steadily. India has seen its wired broadband increase from 32 million to 46 million during the last two years.
- The key challenge posed by connected smart TVs is that broadcasters will now compete against social media and digital native platforms as well for share of time on the large screen.

## Independent Auditor's Report

**To the Members of Hathway Bhawani Cabletel & Datacom Limited**

**Report on the Audit of the Standalone Financial Statements**

### Opinion

We have audited the accompanying standalone financial statements of **Hathway Bhawani Cabletel & Datacom Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive loss), Statement of Changes in Equity and the Cash Flow Statement for the year ended on that date and notes to the standalone financial statements including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its loss, total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics issued by ICAI. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

| Sr.No | Key Audit Matter | How our audit addressed the Key Audit Matter |
|---|---|---|
| 1. | **Contingent liabilities:**<br>The Company is in receipt of show cause notices from Licensing authority. The Company has disputed such claim. The review of claim involves a high degree of judgement to determine the possible outcome, and estimates relating to the timing and the amount of outflow of resources embodying economic benefits.<br>The audit of Contingent liabilities is significant to our audit as any adverse outcome may have material impact on this Company. | **Principal Audit Procedures Performed:**<br>a) We obtained summary of litigation including management's assessment.<br>b) We obtained an understanding, evaluated the design, and tested the operating effectiveness of the controls related to management's risk assessment process for legal matters.<br>c) We obtained and read external legal opinion and other evidence provided by management to corroborate management's assessment of the legal matter.<br>d) Assessed the relevant accounting policies and disclosures in the standalone financial statements for compliance with the requirements of accounting standards. |

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in Annual Report but does not include the standalone financial statements, consolidated financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report on in this regard.

**Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive loss), changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the standalone financial statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by section 143(3) of the Act, based on our audit we report that:

   (i) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

   (ii) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

   (iii) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Loss), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account;

   (iv) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act, read with relevant rules issued thereunder and relevant provisions of the Act;

   (v) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of section 164(2) of the Act;

   (vi) The observation relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph (ii) above;

   With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to standalone financial statements;

   (vii) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the Company has not paid remuneration to its directors during the year. Accordingly, the provisions of section 197 of the Act are not applicable to the Company;

(viii) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

a) The Company has disclosed the impact of pending litigations as at March 31, 2026 on its financial position in its standalone financial statements - Refer Note 4.01 to standalone financial statements;

b) The Company did not have any long-term contracts, including derivative contracts for which there were any material foreseeable losses;

c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;

d) (i) The Management has represented that, to the best of its knowledge and belief, as stated in Note no. 4.14(v), no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(ii) The Management has represented, that, to the best of its knowledge and belief, as stated in Note no. 4.14(vi), no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(iii) Based on the audit procedures performed by us that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement;

e) The Company has neither declared nor paid any dividend during the year; and

f) As stated in Note 4.15 of the accompanying standalone financial statements and based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company as per the statutory requirements for record retention.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraphs 3 and 4 of the Order.

## Annexure A to the Independent Auditor's Report

**Referred to in paragraph 1 under "Report on Other Legal and Regulatory Requirements" of our report on even date to the members of the Company on standalone financial statements for the year ended March 31, 2026:**

(i) (a) (A) The Company has maintained proper records of Property, Plant and Equipment showing particulars of assets including quantitative details;

(B) The Company has maintained proper records showing full particulars of Intangible Assets;

(b) Distribution equipments like cabling and other line equipments of selected networks were verified. The management plans to verify balance networks in a phased manner. Property, Plant and Equipment, other than distribution equipments and access devices with the end users were physically verified during the year based on verification programme adopted by the management. As per this programme, all assets will be verified at least once in a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. The management has represented that physical verification of access devices with the end users is impractical; however, the same can be tracked, in case of most of the networks, through subscribers management system; The Company has a process of reconciling book records with outcome of physical verification, wherever physical verification was carried out and have accounted for the discrepancies observed on such verification;

(c) The Company does not hold any immovable properties and hence reporting under clause 3(i)(c) of the Order is not applicable. Further the properties where the Company is Lessee, the agreements are duly executed in favour of the lessee;

(d) The Company has not revalued any of its Property, Plant and Equipment and intangible assets during the year. The Company does not have any Right of use Assets;

(e) As per the information provided to us, there are no proceedings initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, reporting under clause 3(i)(e) of the Order is not applicable to the Company;

(ii) (a) According to the information and explanation given to us, the Company does not hold any inventories and accordingly clause 3(ii)(a) of the Order is not applicable to the Company;

(b) During the year under audit, the Company has not been sanctioned any working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Accordingly, reporting under clause 3(ii)(b) of the Order is not applicable to the Company;

(iii) (a) The Company has not provided any loans or advances in the nature of loans, stood guarantee, or provided security to any company, firm, Limited Liability Partnership or any other party during the year. Accordingly, reporting under clauses 3(iii)(a), 3(iii)(c), 3(iii)(d), 3(iii)(e) and 3(iii)(f) of the Companies (Auditor's Report) Order, 2020 is not applicable to the Company.

(b) In our opinion and according to the information and explanations given to us, the investment made during the year is, prima facie, not prejudicial to the interest of the Company.

(iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in respect of investments made during the year. Further, the Company has not granted any loans, provided guarantees, or given security and accordingly, the provisions of Section 185 and the related provisions of Section 186 in respect thereof are not applicable.

(v) The Company has not accepted any deposits or amounts which are deemed to be deposits. Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company. We have been informed by the management that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal in this regard;

(vi) The Central Government has not prescribed maintenance of cost records under section 148(1) of the Act, for the services rendered by the Company;

(vii) (a) The Company has generally been regular in depositing with appropriate authorities undisputed statutory dues such as goods and services tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, goods and service tax, cess and other applicable statutory dues. According to information and explanations given to us, no undisputed statutory dues payable were in arrears as at March 31, 2026, for a period of more than six months from the date they became payable;

(b) The details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2026 with the concerned authorities on account of dispute are given below:

| Sr. No. | Nature of the Dues | Name of the Statute | Period to which the amount relates | Forum where Dispute is pending | Amount involve (₹ in lakhs) |
|---|---|---|---|---|---|
| 1 | License Fees | Indian Telegraph Act, 1885 | 2005-06 to 2007-08 and 2009-10 to 2014-15 | TDSAT | 4130.38 |

(viii) According to the information and explanation provided to us, there are no transactions that are not recorded in the books of accounts that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961). Accordingly, reporting under clause 3(viii) of the Order is not applicable to the Company.

(ix) (a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable to the Company;

(c) The Company has not taken any terms loan. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company;

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements, the Company has not raised any funds on short-term basis. Accordingly, the reporting under clause 3(ix)(d) of the Order is not applicable to the Company;

(e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary;

(f) The Company has not raised loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable;

(x) (a) The Company has not raised any money by way of Initial Public Offer or Further Public Offer (including debt instruments) during the year.

(b) According to information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the current financial year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.

(xi) (a) To the best of our knowledge and belief and according to the information and explanations given to us, no material fraud by the Company or on the Company has been noticed or reported during the year;

(b) To the best of our knowledge, no report under section 143(12) of the Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report;

(c) No whistle-blower complaints were received during the year by the Company;

(xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable;

(xiii) To the best of our knowledge and belief and according to the information and explanations given to us, all transactions with the related parties are in compliance with sections 177 and 188 of Act where applicable and the details have been disclosed in the financial statements, etc., as required by the applicable accounting standards;

(xiv) (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business;

(b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

(xv) According to information and explanations given to us, in our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with them and hence provisions of section 192 of the Act are not applicable to the Company;

(xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable to the Company.

(d) The Group, as defined in Reserve Bank of India (Core Investment Companies) Directions, 2025 has 2 Core Investment Companies.

(xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year;

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company;

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due; and

(xx) The Company was not having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year and hence, provisions of section 135 of the Act are not applicable to the Company during the year. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

## Annexure B to the Independent Auditor's Report

**Referred to in paragraph 2(vi) under "Report on Other Legal and Regulatory Requirements" of our report on even date to the members of the Company on standalone financial statements for the year ended March 31, 2026**

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on internal controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (Guidance Note') issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

### Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

### Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

We have audited the internal financial controls with reference to financial statements of the Company as of March 31, 2026, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2026, based on the criteria for internal financial control with reference to standalone financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note.

This note provides a list of the material accounting policies adopted in the presentation of these standalone financial statements. The standalone financial statements were authorized for issue in accordance with a resolution of the directors on May 2017.

**1.01 BASIS OF PREPARATION**

(i) Compliance with Ind AS

The standalone financial statements comply in all material aspects with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 ("the Act"), and relevant rules issued thereunder. In accordance with proviso to the Rule 4A of the Companies (Accounts) Rules, 2014, the terms used in these financial statements are in accordance with the definitions and other requirements specified in the applicable Accounting standards.

(ii) Historical cost convention

The standalone financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities which are measured at fair value;

(iii) Authorization of standalone financial statements

The standalone financial statements were approved for issue by Board of Directors on April 14, 2026.

**1.02 FUNCTIONAL AND PRESENTATION CURRENCY**

These standalone financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts disclosed in the standalone financial statements and notes have been rounded off to the nearest lakhs, except where otherwise indicated.

**1.03 CURRENT VERSUS NON-CURRENT CLASSIFICATION**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is classified as current if:

(i) it is expected to be realised or intended to be sold or consumed in normal operating cycle

(ii) it is held primarily for the purpose of trading

(iii) it is expected to be realised within twelve months after the reporting period, or

(iv) cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current if:

(i) it is expected to be settled in normal operating cycle

(ii) it is held primarily for the purpose of trading

## Material Accounting Policy Information and Notes to the Standalone Financial Statements as at and for the year ended March 31, 2026

(iii) it is due to be settled within twelve months after the reporting period, or

(iv) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

All assets and liabilities have been classified as current or non-current as per Company's normal operating cycle. Based on the nature of operations, the Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

### 1.04 USE OF JUDGEMENTS, ESTIMATES & ASSUMPTIONS

While preparing standalone financial statements in conformity with Ind AS, the management makes certain estimates and assumptions that require subjective and complex judgments. These judgments affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses, disclosure of contingent liabilities at the statement of financial position date and the reported amount of income and expenses for the reporting period. Financial reporting results rely on our estimate of the effect of certain matters that are inherently uncertain. Future events rarely develop exactly as forecast and the best estimates require adjustments, as actual results may differ from these estimates under different assumptions or conditions. The management continually evaluate these estimates and assumptions based on the most recently available information.

Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the standalone financial statements are as below:

Key assumptions and estimation uncertainties

i. Contingencies (Refer note 4.01);

Management judgement is required for assessing the possible outcomes of contingencies, claims and litigation against the Company and estimating the possible outflow of resources, if any, in respect of contingencies, claim, litigations.

ii. Evaluation of recoverability of deferred tax assets (Refer note 2.05);

The extent to which deferred tax assets can be recognised is based on the assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilised. The Company uses the judgement to determine the amount of deferred tax that can be recognised based upon the likely timing and the level of future taxable profits and business developments.

iii. Measurement of Expected Credit Loss Allowance for Trade Receivables

The Company provides expected credit loss for trade receivables as per simplified approach using provision matrix on the basis of its historical credit loss experience and adjusted with forward looking information.

iv. Useful lives of Property, Plant and Equipment and Intangible Assets; (Refer note 1.05 and 1.06)

The Company uses its technical expertise along with historical and industry trends for determining the economic life of an asset/component of an asset. The useful lives are reviewed by management periodically and revised, if appropriate. In case of a revision, the unamortised depreciable amount is charged over the remaining useful life of an asset.

## Material Accounting Policy Information and Notes to the Standalone Financial Statements as at and for the year ended March 31, 2026

v. Investment in Financial instruments; (Refer note 4.06)

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques. The inputs for valuation techniques are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

vi. Measurement of defined benefit obligations, key actuarial assumptions (Refer note 4.03); and

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

vii. Impairment test of Tangible and Intangible assets;

The Company determines the recoverable amount of assets by estimating the future cash flows from operations. The future cash flows comprise forecasts of revenue, operating costs, discount rate, terminal growth and overheads based on current and anticipated market conditions that have been considered by the management. Such revenue projections are inherently uncertain due to market conditions and changing customer preferences.

### 1.05 PROPERTY, PLANT AND EQUIPMENT

**Recognition and Measurement**

The cost of an item of property, plant and equipment shall be recognised as an asset if, and only if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Property, Plant and Equipment (including Capital work-in-progress) is stated at cost, less accumulated depreciation and accumulated impairment losses. The initial cost of an asset comprises its purchase price, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any. The purchase price is the aggregate amount paid and the fair value of any other consideration given to acquire the asset.

Subsequent costs are included in the asset’s carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to statement of profit and loss during the reporting period in which they are incurred.

Access Devices on hand at the year end are included in Capital work-in-progress. On installation, such devices are capitalised.

The residual values and useful lives of Property, Plant and Equipment are reviewed at each financial year end, and changes, if any, are accounted prospectively.

**Derecognition of Property, Plant and Equipment**

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of profit and loss.

## Material Accounting Policy Information and Notes to the Standalone Financial Statements as at and for the year ended March 31, 2026

**Depreciation on Property, Plant & Equipment**

Depreciation on Property, Plant & Equipment is provided on straight line method. In accordance with requirements prescribed under Schedule II of Act, the Company has assessed the estimated useful lives of its Property, Plant & Equipment and has adopted the useful lives and residual value as prescribed in Schedule II except for the cost of Access devices at the customer location which are depreciated on straight-line method over a period of eight years based on internal technical assessment.

All assets costing up to ₹ 5,000 (in ₹) are fully depreciated in the year of capitalisation.

### 1.06 INTANGIBLE ASSETS

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles are not capitalised and the related expenditure is reflected in Statement of profit and loss in the period in which the expenditure is incurred.

**Recognition and Measurement**

Intangible assets comprises of Cable Television Franchise and Softwares. Cable Television Franchise represents purchase consideration of a network that is mainly attributable to acquisition of subscribers and other rights, permission etc. attached to a network.

Intangible assets with finite useful lives that are acquired are recognized only if they are separately identifiable and the Company expects to receive future economic benefits arising out of them. Such assets are stated at cost less accumulated amortization and impairment losses. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

**Derecognition of intangible assets**

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in statement of profit and loss when the asset is derecognised.

**Amortisation of intangible assets**

Intangible assets with finite useful lives are amortized on a straight line basis over their useful economic lives and assessed for impairment whenever there is indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each year end. The amortisation expense on Intangible assets with finite lives and impairment loss is recognised in the Statement of Profit and Loss.

Estimated lives for current and comparative periods in relation to application of straight line method of amortisation of intangible assets are as follows:

- Softwares are amortized over the license period and in absence of such tenor, over five years.
- Cable Television Franchise are amortized over the contract period and in absence of such tenor, over twenty years.

The estimated useful lives, residual values, amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

### 1.07 IMPAIRMENT OF ASSETS (OTHER THAN FINANCIAL ASSETS)

Carrying amount of Tangible assets, Intangible assets, Investments in Subsidiary / Joint Venture (which are carried at cost) are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

## Material Accounting Policy Information and Notes to the Standalone Financial Statements as at and for the year ended March 31, 2026

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or Company's assets (cash-generating units). Non- financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

### 1.08 CASH AND CASH EQUIVALENTS

For the purpose of Cash Flow Statement, cash and cash equivalents includes cash on hand, deposits held at call with banks or financial institutions and bank overdrafts.

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of change in value.

For the purpose of statement of cash flows, cash and cash equivalents consist of cash, short-term deposits as defined above, bank overdrafts and short-term highly liquid investments that are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value as they are considered as an integral part of the Company's management. Bank overdrafts are shown within borrowings under current liabilities in the balance sheet.

### 1.09 FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

**Initial Recognition and Measurement – Financial Assets and Financial Liabilities**

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss. Since Trade Receivables do not contain significant financing component they are measured at transaction price.

**Classification and Subsequent Measurement: Financial Assets**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVTOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

**Amortised Cost:**

A financial asset is classified and measured at amortised cost if both of the following conditions are met:

- It is held within a business model whose objective is to hold assets to collect contractual cash flows and
- the contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

## Material Accounting Policy Information and Notes to the Standalone Financial Statements as at and for the year ended March 31, 2026

**FVTOCI:**

A financial asset is classified and measured at FVTOCI if both of the following conditions are met:

- It is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses and interest revenue which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

**FVTPL:**

A financial asset is classified and measured at FVTPL unless it is measured at amortised cost or at FVTOCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

**Impairment of Financial Assets**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Expected Credit Losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date);or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

The ECL is measured using a provision matrix that is based on historical credit loss experience, adjusted for current and forward looking information. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date, these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide the impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

The Company considers the financial assets to be in default when the debtor is unlikely to pay its credit obligation to the company in full and it is past due beyond the period considered for loss allowance as per provision matrix.

**Credit Impaired Financial Assets :**

At each reporting date, the Company assess whether the financial assets carried at amortized cost and debt securities at FVTOCI are credit impaired. A financial assets is “credit impaired” when one or more event that have a detrimental impact on the estimated future cash flows of the financial assets have occurred.

## Material Accounting Policy Information and Notes to the Standalone Financial Statements as at and for the year ended March 31, 2026

Evidence that the financial asset credit impaired include obsevable data about the following events :

(a) significant financial difficulty of the debtor

(b) a breach of contract, such as a default or being past due beyond the period considered for loss allowance as per provision matrix

(c) the restructuring of a loan or advance by the company on the terms that the company would not consider otherwise

(d) it is becoming probable that the debtor will enter bankruptcy or other financial reorganization

(e) the disappearance of an active market for that financial asset because of financial difficulties.

**Classification and Subsequent measurement: Financial Liabilities**

The Company's financial liabilities include trade and other payables, loans and borrowings.

**Financial Liabilities at FVTPL:**

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or losses on financial liabilities held for trading are recognised in the Statement of Profit and Loss.

**Other Financial Liabilities:**

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

**Derecognition of Financial Assets:**

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

**Write off:**

The gross carrying amount of a financial asset is written off when there no reasonable expectations of recovering a financial asset in its entirety or a portion thereof. The Company individually makes an assessment with respect to the timing and amount of write-off based on whether there is a reasonable expectation of recovery. The Company expects no significant recovery from the amount written off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

**Derecognition of Financial Liabilities:**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. Financial liability is also derecognised when its terms are modified and the cash flows of the modified Liability are substantially different, in which case a new financial liability based on modified terms is recognised at fair value.

## Material Accounting Policy Information and Notes to the Standalone Financial Statements as at and for the year ended March 31, 2026

**Offsetting Financial Instruments:**

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

### 1.10 INVESTMENT IN SUBSIDIARY / JOINT VENTURE

A Subsidiary is an entity that is controlled by another entity. An investor controls an investee if and only if the investor has the following; (i) Power over the investee, (ii) exposure, or rights, to variable returns from its involvement with the investee and (iii) the ability to is it power over the investee to affect the amount of the investor’s returns.

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The Company’s investments in it’s subsidiary is accounted at cost and reviewed for impairment at each reporting date in accordance with the policy described in note 1.07 above.

### 1.11 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

**Provisions**

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management’s best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a current pre-tax rate. The increase in the provision due to the passage of time is recognised as interest expense.

**Contingent Liability**

Contingent liability is a possible obligation arising from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability. The Company does not recognize a contingent liability but discloses its existence in the standalone financial statements.

**Contingent Asset**

Contingent asset is not recognised in standalone financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognized.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

### 1.12 EMPLOYEE BENEFITS

**(i) Short-term obligation**

Short term employee benefits are recognised as an expense at an undiscounted amount in the Statement of profit and loss of the year in which the related services are rendered.

## Material Accounting Policy Information and Notes to the Standalone Financial Statements as at and for the year ended March 31, 2026

**(ii) Post-employment obligations**

The Company operates the following post-employment schemes:

- defined benefit plans such as gratuity; and
- defined contribution plans such as provident fund

**Gratuity obligations**

The liability recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period.The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The interest cost is calculated by applying the discount rate to the balance of the defined benefit obligation .This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

**Defined contribution plans**

The Company contributes to Employees State Insurance Corporation and Provident Fund which are considered as defined contribution plans. The Company makes specified monthly contributions towards Government administered provident fund scheme. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

**(iii) Other long-term employee benefit obligations**

The liabilities for leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in statement of profit and loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

### 1.13 REVENUE FROM CONTRACTS WITH CUSTOMERS

**(i) Revenue from sale of services and sale of products**

The Company derives revenue primarily from Cable TV business comprising of Cable TV services and other related services

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of promised products sold or

## Material Accounting Policy Information and Notes to the Standalone Financial Statements as at and for the year ended March 31, 2026

services rendered to customers is net of variable consideration that reflects the consideration the Company expects to receive in exchange for those products or services. Subscription income is recognised on accrual basis, based on underlying subscription plan or agreements with the subscribers.

Goods and Service Tax (GST) collected on behalf of the government is excluded from Revenue, as it is not an economic benefit to the Company.

**Trade Receivables**

A receivable represents the company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

**Contract Liabilities**

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier), which we refer to as Unearned Revenue. Contract liabilities are recognised as revenue when the Company performs under the contract.

**(ii) Other Operating Revenues**

Other Operating Income comprises of fees for rendering management, technical and consultancy services. Income from such services is recognised upon satisfaction of performance obligations as per the terms of underlying agreements with the concerned parties, when no significant uncertainties exist regarding the amount of consideration that will be derived.

### 1.14 RECOGNITION OF INTEREST INCOME

Interest income from debt instruments is recognised using the effective interest rate method.

### 1.15 TAXES ON INCOME

**Current Tax:**

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals.

Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit and loss.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

**Deferred tax:**

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised

## Material Accounting Policy Information and Notes to the Standalone Financial Statements as at and for the year ended March 31, 2026

deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the Company have a legally enforceable right to set-off assets against liabilities.

### 1.16 EARNINGS PER SHARE (EPS)

**Basic Earnings Per Share**

Basic earnings per share is calculated by dividing the profit (or loss) attributable to the owners of the Company by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

**Diluted Earnings Per Share**

Diluted earnings per share is computed by dividing the profit (considered in determination of basic earnings per share) after considering the effect of interest and other financing costs or income (net of attributable taxes) associated with dilutive potential equity shares by the weighted average number of equity shares considered for deriving basic earnings per share adjusted for the weighted average number of equity shares that would have been issued upon conversion of all dilutive potential equity shares.

### 1.17 LEASES

**Short term leases and lease of low value assets**

The Company’s lease arrangements are short term in nature. The Company has elected not to recognise right-of-use assets and lease liabilities for leases of low-value assets and short-term leases, including IT equipment. The Company recognises the lease payments associated with these leases as an expense in profit or loss on a straight-line basis over the lease term.

### 4.01 Contingent Liabilities

The Company has received Show Cause cum Demand notices ("SCNs") from the Department of Telecommunications ("DOT"), Government of India for the financial years from 2005-06 to 2007-08 and from 2009-10 to 2014-15 towards license fees amounting to ₹ 4130.38 Lakhs which includes penalty and interest thereon (March 31, 2025 : ₹ 4130.38 including penalty and interest for the financial years from 2005-06 to 2007-08 and from 2009-10 to 2014-15). The Company has made representation to DOT contesting the basis of such demands. Based on the opinion of legal expert, the Company is confident that it has good grounds on merit to defend itself in the above matter. Accordingly, the Company is of the view that no provision is necessary in respect of the aforesaid matter.

Other than SCNs stated above there are no claims against the Company, not acknowledged as debt.

### 4.02 Capital And Other Commitments

There are no Capital and other commitments as at March 31, 2026 (March 31, 2025 : Nil)

### 4.03 Employee Benefits

The Company provides for gratuity, a defined benefit retirement plan covering eligible employees, as governed by the Payment of Gratuity Act, 1972 (Gratuity Act). The gratuity plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount equivalent to 15 to 26 days' salary for each completed year of service subject to a maximum of ₹ 20 (March 31, 2026: ₹ 20). Vesting occurs upon completion of five continuous years of service as governed by Gratuity Act.

The Present value of the defined benefit obligations and related current service cost were measured using the Projected Unit Credit Method, with actuarial valuation being carried out at each Balance Sheet date.

**Risk exposure:**

Provision of a defined benefit scheme poses certain risks, some of which are detailed hereunder, as companies take on uncertain long term obligations to make future benefit payments.

## Notes to the Standalone Financial Statements as at and for the period ended March 31, 2026

(₹ in lakhs unless otherwise stated)

**Liability Risks:**

**Investment Risk -**

The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to government bond yields. If the return on plan asset is below this rate, it will move net liability unfavourably.

**Interest Risk -**

A decrease in the bond interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments.

**Longevity Risk -**

There is no longevity risk to the company in respect of post-retirement mortality. However, the demographic risk of attrition being different from what has been assumed still remains with the company.

**Salary Risk -**

The Gratuity benefit, being based on last drawn salary, will be critically effected in case of increase in future salaries being more than assumed.

**Unfunded Plan Risk -**

This represents unmanaged risk and a growing liability. There is an inherent risk here that the company may default on paying the benefits in adverse circumstances.

**The principal assumptions used for the purposes of actuarial valuations were as follows :**

| **Particulars** | **Year ended** | |
|---|---|---|
| | **March 31, 2026** | **March 31, 2025** |

|---|---|---|
| 1) Credit risk | Cash and cash equivalents, trade receivables, financial assets measured at amortised cost. | Ageing analysis |
| 2) Liquidity Risk | Borrowings and other liabilities | Rolling cash flow forecasts |

**Credit risk**

Credit risk arises from the possibility that counter party will cause financial loss to the company by failing to discharge its obligation as agreed. The Company's exposure to credit risk arises mainly from the trade receivables, distributor commission and balances with banks.

Credit risks from balances with banks are managed in accordance with the Company policy. The Company's major revenue streams arises from services provided to end use customers in form of monthly subscription income. The trade receivables on account of subscription income are typically un-secured and derived from sales made to large number of independent customers. There is no concentration of credit risk.

## Notes to the Standalone Financial Statements as at and for the period ended March 31, 2026

(₹ in lakhs unless otherwise stated)

The Company follows a simplified approach (i.e. based on lifetime ECL) for recognition of impairment loss allowance on Trade receivables. For the purpose of measuring the lifetime ECL allowance for trade receivables, the Company uses a provision matrix which comprise a very large number of small balances grouped into homogenous groups and assessed for impairment collectively. In addition, in case there are events or changes in circumstances indicating individual trade receivable is required to be reviewed on qualitative aspects, necessary provisions are made.

**Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

The Holding Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in Annual report but does not include the standalone financial statements, consolidated financial statements and our auditor's report thereon. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive loss), consolidated statement of changes in equity and consolidated cash flows of the Holding Company including its subsidiary in accordance with Ind AS and other accounting principles generally accepted in India. The Board of Directors of the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the Group are responsible for assessing the ability of their respective company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Group are also responsible for overseeing the financial reporting process of the Group.

**Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities of the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entity included in the consolidated financial statements of which we are the independent auditor. For the other entity included in the consolidated financial statements, which have been audited by other auditor, such other auditor remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in "Other Matters" paragraph below.

We believe that the audit evidence obtained by us along with the consideration of the audit report of the other auditor referred to in "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entity included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Other Matters**

The Statement includes the audited financial statements of a company, which was a joint venture and became wholly owned subsidiary with effect from February 06, 2026, whose financial statements reflect total assets (before consolidation adjustments) of Rs.13.24 lakhs as at March 31, 2026, and total revenues of Rs.4.80 lakhs, total net loss after tax of Rs.0.57 lakhs, total comprehensive loss of Rs.0.45 lakhs, for the period February 06, 2026 to March 31, 2026, and cash inflows (net) of Rs.0.52 lakhs (before consolidation adjustments) for the said period, as considered in the Statement, which have been audited by its independent auditor. **Annexure A to the Independent Auditor's Report**

**Referred to in paragraph (vi) under "Report on Other Legal and Regulatory Requirements" of our Independent Auditor's Report on even date to the members of Hathway Bhawani Cabletel & Datacom Limited ("the Holding Company") on the consolidated financial statements for the year ended March 31, 2026:**

**Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the Holding company and its subsidiary, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Group, considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("Guidance Note") issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated financial statements of the Holding Company, and its subsidiary, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to in the "Other Matters" paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial control with reference to Consolidated financial statements.

**Meaning of Internal Financial Controls with reference to Consolidated Financial Statements**

A company's internal financial controls with reference to Consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls with reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to Consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Holding Company and its subsidiary, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026 based on the internal controls with reference to financial statements criteria established by the Holding Company, considering the essential components of internal controls stated in the Guidance Note issued by the ICAI.

**Other Matters**

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements, in so far as it relates standalone financial statements of the subsidiary, which is the company incorporated in India, is based on the corresponding report of the auditor of such subsidiary incorporated in India.

### 1.00 MATERIAL ACCOUNTING POLICY INFORMATION

This note provides a list of the material accounting policies adopted in the presentation of these consolidated financial statements. The financial statements are of the Holding Company and it's subsidiary / joint Venture.

### 1.01 BASIS OF PREPARATION

(i) Compliance with Ind AS

The consolidated financial statements comply in all material aspects with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 ("the Act"), and relevant rules issued thereunder. In accordance with proviso to the Rule 4A of the Companies (Accounts) Rules, 2014, the terms used in these financial statements are in accordance with the definitions and other requirements specified in the applicable Accounting standards.

(ii) Historical cost convention

The consolidated financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities which are measured at fair value.

(iii) Authorisation of consolidated financial statements

The consolidated financial statements were approved for issue by Board of Directors on April 14, 2026.

### 1.02 FUNCTIONAL AND PRESENTATION CURRENCY

These consolidated financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts disclosed in the consolidated financial statements and notes have been rounded off to the nearest lakhs, except where otherwise indicated.

### 1.03 CURRENT VERSUS NON-CURRENT CLASSIFICATION

The Holding Company and it's subsidiary / joint Venture. presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is classified as current if:

(i) it is expected to be realised or intended to be sold or consumed in normal operating cycle

(ii) it is held primarily for the purpose of trading

(iii) it is expected to be realised within twelve months after the reporting period, or

(iv) cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is classified as current if:

(i) it is expected to be settled in normal operating cycle

(ii) it is held primarily for the purpose of trading

(iii) it is due to be settled within twelve months after the reporting period, or

## Material Accounting Policy Information and Notes to the Consolidated Financial Statements for the year ended March 31, 2026

(iv) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities on net basis.

All assets and liabilities have been classified as current or non-current as per Holding Company's and it's Subsidiary normal operating cycle. Based on the nature of operations, the Holding Company and it's Subsidiary has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

**1.04 USE OF JUDGEMENTS, ESTIMATES & ASSUMPTIONS**

While preparing consolidated financial statements in conformity with Ind AS, the management makes certain estimates and assumptions that require subjective and complex judgments. These judgments affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses, disclosure of contingent liabilities at the statement of financial position date and the reported amount of income and expenses for the reporting period. Financial reporting results rely on our estimate of the effect of certain matters that are inherently uncertain. Future events rarely develop exactly as forecast and the best estimates require adjustments, as actual results may differ from these estimates under different assumptions or conditions. The management continually evaluate these estimates and assumptions based on the most recently available information.

Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the consolidated financial statements are as below:

Key assumptions and estimation uncertainties

i. Contingencies (Refer note 4.01);

Management judgement is required for assessing the possible outcomes of contingencies, claims and litigation against the Company and estimating the possible outflow of resources, if any, in respect of contingencies, claim, litigations.

ii. Evaluation of recoverability of deferred tax assets (Refer note 2.05);

The extent to which deferred tax assets can be recognised is based on the assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilised. The Company uses the judgement to determine the amount of deferred tax that can be recognised based upon the likely timing and the level of future taxable profits and business developments.

iii. Measurement of Expected Credit Loss Allowance for Trade Receivables

The Company provides expected credit loss for trade receivables as per simplified approach using provision matrix on the basis of its historical credit loss experience and adjusted with forward looking information.

iv. Useful lives of Property, Plant and Equipment and Intangible Assets; (Refer note 1.05 and 1.06)

The Company uses its technical expertise along with historical and industry trends for determining the economic life of an asset/component of an asset. The useful lives are reviewed by management periodically and revised, if appropriate. In case of a revision, the unamortised depreciable amount is charged over the remaining useful life of an asset.

v. Investment in Financial instruments; (Refer note 4.06)

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques. The inputs for valuation techniques are taken from observable markets where possible, but where this is not feasible, a degree of judgement is

## Material Accounting Policy Information and Notes to the Consolidated Financial Statements for the year ended March 31, 2026

required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

vi. Measurement of defined benefit obligations, key actuarial assumptions (Refer note 4.03); and

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

vii. Impairment test of Tangible and Intangible assets;

The Company determines the recoverable amount of assets by estimating the future cash flows from operations. The future cash flows comprise forecasts of revenue, operating costs, discount rate, terminal growth and overheads based on current and anticipated market conditions that have been considered by the management. Such revenue projections are inherently uncertain due to market conditions and changing customer preferences.

**1.05 Principles of consolidation and equity accounting**

**(i) Subsidiary**

Subsidiary are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiary are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

The Group combines the financial statements of the parent and its Subsidiary line by line adding together like items of assets, liabilities, equity, income and expenses. Intergroup transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.

Non-controlling interests in the results and equity of Subsidiary are shown separately in the consolidated Statement of Profit and Loss, consolidated statement of changes in equity and balance sheet respectively. Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of Subsidiary is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

**(ii) Joint venture**

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The Company's investments in it's joint venture is accounted at cost and reviewed for impairment at each reporting date in accordance with the policy described in note 1.07 above.

**(iii) Equity method**

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Holding Company's share of the post-acquisition profits or losses of the investee in statement of profit and loss, and the Holding Company's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from Subsidiary are recognised as a reduction in the carrying amount of the investment.

## Material Accounting Policy Information and Notes to the Consolidated Financial Statements for the year ended March 31, 2026

Unrealised gains on transactions between the Holding Company and subsidiary are eliminated to the extent of the Holding Company's interest in this entity. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the Holding Company.

The carrying amount of equity accounted investments are tested for impairment in accordance with the policy described in note 1.08 below.

### 1.06 PROPERTY, PLANT AND EQUIPMENT

**Recognition and Measurement**

The cost of an item of property, plant and equipment shall be recognised as an asset if, and only if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Property, Plant and Equipment (including Capital work-in-progress) is stated at cost, less accumulated depreciation and accumulated impairment losses. The initial cost of an asset comprises its purchase price, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any. The purchase price is the aggregate amount paid and the fair value of any other consideration given to acquire the asset.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Holding Company and it's Subsidiary / Joint Venture and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to statement of profit and loss during the reporting period in which they are incurred.

Access Devices on hand at the year end are included in Capital work-in-progress. On installation, such devices are capitalised.

The residual values and useful lives of Property, Plant and Equipment are reviewed at each financial year end, and changes, if any, are accounted prospectively.

**Derecognition of Property, Plant and Equipment**

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of profit and loss.

**Depreciation on Property, Plant & Equipment**

Depreciation on Property, Plant & Equipment is provided on straight line method. In accordance with requirements prescribed under Schedule II of Act, the Company has assessed the estimated useful lives of its Property, Plant & Equipment and has adopted the useful lives and residual value as prescribed in Schedule II of the Act.

All assets costing up to ₹ 5,000 (in ₹) are fully depreciated in the year of capitalisation.

### 1.07 INTANGIBLE ASSETS

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles are not capitalised and the related expenditure is reflected in Statement of Profit and Loss in the period in which the expenditure is incurred.

## Material Accounting Policy Information and Notes to the Consolidated Financial Statements for the year ended March 31, 2026

**Recognition and Measurement**

Intangible assets comprises of Cable Television Franchise and Softwares. Cable Television Franchisee represents purchase consideration of a network that is mainly attributable to acquisition of subscribers and other rights, permission etc. attached to a network.

Intangible assets with finite useful lives that are acquired are recognized only if they are separately identifiable and the Holding Company and it's subsidiary / joint Venture. expects to receive future economic benefits arising out of them. Such assets are stated at cost less accumulated amortization and impairment losses. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

**Derecognition of intangible assets**

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in statement of profit and loss when the asset is derecognised.

**Amortisation of intangible assets**

Intangible assets with finite useful lives are amortized on a straight line basis over their useful economic lives and assessed for impairment whenever there is indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each year end. The amortisation expense on Intangible assets with finite lives and impairment loss is recognised in the Statement of Profit and Loss.

Estimated lives for current and comparative periods in relation to application of straight line method of amortisation of intangible assets (acquired) are as follows:

- Softwares are amortised over the license period and in absence of such tenor, over five years.
- Cable Television Franchise are amortised over the contract period and in absence of such tenor, over twenty years.

The estimated useful lives, residual values, amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

### 1.08 IMPAIRMENT OF ASSETS (OTHER THAN FINANCIAL ASSETS)

Carrying amount of Tangible assets, Intangible assets, Investments in subsidiary / joint Venture. (which are accounted under equity method) are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or Holding Company and it's subsidiary / joint Venture. assets (cash-generating units). Non- financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

### 1.09 CASH AND CASH EQUIVALENTS

For the purpose of Cash Flow Statement, cash and cash equivalents includes cash on hand, deposits held at call with banks or financial institutions and bank overdrafts.

## Material Accounting Policy Information and Notes to the Consolidated Financial Statements for the year ended March 31, 2026

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of change in value.

For the purpose of statement of cash flows, cash and cash equivalents consist of cash, short-term deposits as defined above, bank overdrafts and short-term highly liquid investments that are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value as they are considered as an integral part of the Company's management. Bank overdrafts are shown within borrowings under current liabilities in the balance sheet.

### 1.10 FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are recognised when a Holding Company and it's subsidiary / joint Venture becomes a party to the contractual provisions of the instruments.

**Initial Recognition and Measurement – Financial Assets and Financial Liabilities**

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss. However Trade Receivables that do not contain significant financing component are measured at transaction price.

**Classification and Subsequent Measurement: Financial Assets**

The Holding Company and it's subsidiary / joint Venture. classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVTOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

**Amortised Cost:**

A financial asset is classified and measured at amortised cost if both of the following conditions are met:

- It is held within a business model whose objective is to hold assets to collect contractual cash flows and
- the contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**FVTOCI:**

A financial asset is classified and measured at FVTOCI if both of the following conditions are met:

- It is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses and interest revenue which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

## Material Accounting Policy Information and Notes to the Consolidated Financial Statements for the year ended March 31, 2026

**FVTPL:**

A financial asset is classified and measured at FVTPL unless it is measured at amortised cost or at FVTOCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

**Impairment of Financial Assets**

The Holding Company and it's subsidiary / joint Venture. assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Expected Credit Losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date);or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables only, the Holding Company and it's subsidiary / joint Venture. applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

The ECL is measured using a provision matrix that is based on historical credit loss experience, adjusted for current and forward looking information. The Holding Company and it's subsidiary / joint Venture. uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date, these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Holding Company and it's subsidiary / joint Venture. uses 12 month ECL to provide the impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

The Holding Company and it's subsidiary / joint Venture. considers the financial assets to be in default when the debtor is unlikely to pay its credit obligation to the company in full and it is past due beyond the period considered for loss allowance as per provision matrix.

**Credit Impaired Financial Assets :**

At each reporting date, the Holding Company and it's subsidiary / joint Venture. assess whether the financial assets carried at amortized cost and debt securities at FVTOCI are credit impaired. A financial assets is ""credit impaired"" when one or more event that have a detrimental impact on the estimated future cash flows of the financial assets have occurred.

Evidence that the financial asset credit impaired include obsevable data about the following events :

(a) significant financial difficulty of the debtor

(b) a breach of contract, such as a default or being past due beyond the period considered for loss allowance as per provision matrix

(c.) the restructuring of a loan or advance by the company on the terms that the company would not consider otherwise

(d) it is becoming probable that the debtor will enter bankruptcy or other financial reorganization

(e) the disappearance of an active market for that financial asset because of financial difficulties.

**Classification and Subsequent measurement: Financial Liabilities**

The Holding Company and it's subsidiary / joint Venture. financial liabilities include trade and other payables, loans and borrowings.

## Material Accounting Policy Information and Notes to the Consolidated Financial Statements for the year ended March 31, 2026

**Financial Liabilities at FVTPL:**

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or losses on financial liabilities held for trading are recognised in the Statement of Profit and Loss.

**Other Financial Liabilities:**

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

**Derecognition of Financial Assets:**

The Holding Company and it's subsidiary / joint Venture. derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred. If the Holding Company and it's Subsidiary enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

**Write off:**

The gross carrying amount of a financial asset is written off when there no reasonable expectations of recovering a financial asset in its entirety or a portion thereof. The holding company and it's subsidiary / joint Venture. individually makes an assesment with respect to the timing and amount of write off based on whether there is a reasonable expectation of recovery. The Holding Company and it's Subsidiary expect no significant recovery from the amount writen off. However, financial assets that are writen off could still be subject to enforcement activities in order to comply with the company's procedures for recovery of amount due.

**Derecognition of Financial Liabilities:**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. Financial liability is also derecognised when its terms are modified and the cash flows of the modified Liability are substantially different, in which case a new financial liability based on modified terms is recognised at fair value.

**Offsetting Financial Instruments:**

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Holding Company and it's subsidiary / joint Venture. or the counterparty.

### 1.11 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

**Provisions**

Provisions are recognised when the Holding Company and it's subsidiary / joint Venture. has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be

## Material Accounting Policy Information and Notes to the Consolidated Financial Statements for the year ended March 31, 2026

required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a current pre-tax rate. The increase in the provision due to the passage of time is recognised as interest expense.

**Contingent liabilities**

Contingent liability is a possible obligation arising from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability. The Company does not recognize a contingent liability but discloses its existence in the consolidated financial statements.

**Contingent Asset**

Contingent asset is not recognised in consolidated financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognized.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

### 1.12 EMPLOYMENT BENEFITS

**(i) Short-term obligation**

Short term employee benefits are recognised as an expense at an undiscounted amount in the Statement of profit and loss of the year in which the related services are rendered.

**(ii) Post-employment obligations**

The Holding Company and it's subsidiary / joint Venture. operates the following post-employment schemes:

- defined benefit plans such as gratuity; and
- defined contribution plans such as provident fund

**Gratuity Obligations**

The liability recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period.The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The interest cost is calculated by applying the discount rate to the balance of the defined benefit obligation .This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

## Material Accounting Policy Information and Notes to the Consolidated Financial Statements for the year ended March 31, 2026

**Defined contribution plans**

The Holding Company and it's subsidiary / joint Venture. contributes to Employees State Insurance Corporation and Provident Fund which are considered as defined contribution plans. The Holding Company and it's Subsidiary makes specified monthly contributions towards Government administered provident fund scheme. The Holding Company and it's Subsidiary has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

**(iii) Other long-term employee benefit obligations**

The liabilities for leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in statement of profit and loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

### 1.13 REVENUE FROM CONTRACTS WITH CUSTOMERS

**(i) Revenue from sale of services and sale of products**

The Company derives revenue primarily from Cable TV business comprising of Cable TV services and other related services

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of promised products sold or services rendered to customers is net of variable consideration that reflects the consideration the Company expects to receive in exchange for those products or services. Subscription income is recognised on accrual basis, based on underlying subscription plan or agreements with the subscribers.

Goods and Service Tax (GST) collected on behalf of the government is excluded from Revenue, as it is not an economic benefit to the Company.

Revenue is measured based on the consideration specified in a contract with a customer and excludes amounts collected on behalf of third parties. The Company presents revenues net of indirect taxes in its statement of profit and loss.

Revenue from subscription is recognized over the period of pay term as per the service plan availed by the customer. The Company has applied the principles under Ind AS 115 to account for revenues from these performance obligations. Subscription revenue is recognized ratably over the period in which the services are rendered.

A receivable is a right to consideration that is unconditional upon passage of time. Revenues in excess of billings is recorded as unbilled revenue and is classified as a financial asset for these cases as right to consideration is unconditional upon passage of time. While invoicing in excess of revenue are classified as contract liabilities (which we refer to as unearned revenue).

**Contract Assets**

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

## Material Accounting Policy Information and Notes to the Consolidated Financial Statements for the year ended March 31, 2026

**Trade Receivables**

A receivable represents the company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

**Contract Liabilities**

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier), which we refer to as Unearned Revenue. Contract liabilities are recognised as revenue when the Company performs under the contract.

**(ii) Other Operating Revenues**

Other Operating Income comprises of fees for rendering management, technical and consultancy services. Income from such services is recognised upon satisfaction of performance obligations as per the terms of underlying agreements with the concerned parties, when no significant uncertainties exist regarding the amount of consideration that will be derived.

### 1.14 RECOGNITION OF INTEREST INCOME

Interest income from debt instruments is recognised using the effective interest rate method.

### 1.15 TAXES ON INCOME

**Current Tax:**

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals.

Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit and loss.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

**Deferred tax:**

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

## Material Accounting Policy Information and Notes to the Consolidated Financial Statements for the year ended March 31, 2026

Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the Holding Company and it's subsidiary / joint Venture. have a legally enforceable right to set-off assets against liabilities.

### 1.16 EARNINGS PER SHARE (EPS)

**Basic Earnings Per Share**

Basic earnings per share is calculated by dividing the profit (or loss) attributable to the owners of the Company by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

**Diluted Earnings Per Share**

Diluted earnings per share is computed by dividing the profit (considered in determination of basic earnings per share) after considering the effect of interest and other financing costs or income (net of attributable taxes) associated with dilutive potential equity shares by the weighted average number of equity shares considered for deriving basic earnings per share adjusted for the weighted average number of equity shares that would have been issued upon conversion of all dilutive potential equity shares.

### 1.17 LEASES

**Short term leases and lease of low value assets**

The Holding Company and it's subsidiary / joint Venture. lease arrangements are short term in nature. The Holding Company and it's subsidiary / joint Venture. has elected not to recognise right-of-use assets and lease liabilities for leases of low-value assets and short-term leases, including IT equipment. The Holding Company and it's subsidiary / joint Venture. recognises the lease payments associated with these leases as an expense in profit or loss on a straight-line basis over the lease term.

## Notes to the Consolidated Financial Statements as at and for the period ended March 31, 2026

(₹ in lakhs unless otherwise stated)

**4.01 Contingent Liabilities**

The Company has received Show Cause cum Demand notices ("SCNs") from the Department of Telecommunications ("DOT"), Government of India for the financial years from 2005-06 to 2007-08 and from 2009-10 to 2014-15 towards license fees amounting to ₹ 4130.38 which includes penalty and interest thereon (March 31, 2025 : ₹ 4130.38 including penalty and interest for the financial years from 2005-06 to 2007-08 and from 2009-10 to 2014-15). The Company has made representation to DOT contesting the basis of such demands. Based on the opinion of legal expert, the Company is confident that it has good grounds on merit to defend itself in the above matter. Accordingly, the Company is of the view that no provision is necessary in respect of the aforesaid matter.

Other than SCNs stated above there are no claims against the Company, not acknowledged as debt.

**4.02 Capital And Other Commitments**

There are no Capital and other commitments as at March 31, 2026 (March 31, 2025 : Nil)

**4.03 Employee Benefits**

The Company provides for gratuity, a defined benefit retirement plan covering eligible employees, as governed by the Payment of Gratuity Act, 1972 (Gratuity Act). The gratuity plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount equivalent to 15 to 26 days' salary for each completed year of service subject to a maximum of ₹ 20 (March 31, 2026: ₹ 20). Vesting occurs upon completion of five continuous years of service as governed by Gratuity Act.

The Present value of the defined benefit obligations and related current service cost were measured using the Projected Unit Credit Method, with actuarial valuation being carried out at each Balance Sheet date.

**Risk exposure:**

Provision of a defined benefit scheme poses certain risks, some of which are detailed hereunder, as companies take on uncertain long term obligations to make future benefit payments.

**Liability Risks:**

**Investment Risk -**

The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to government bond yields. If the return on plan asset is below this rate, it will move net liability unfavourably.

**Interest Risk -**

A decrease in the bond interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments

**Longevity Risk -**

There is no longevity risk to the company in respect of post-retirement mortality. However, the demographic risk of attrition being different from what has been assumed still remains with the company.

**Salary Risk -**

The Gratuity benefit, being based on last drawn salary, will be critically effected in case of increase in future salaries being more than assumed.

**Unfunded Plan Risk -**

This represents unmanaged risk and a growing liability. There is an inherent risk here that the company may default on paying the benefits in adverse circumstances.

### 4.07 Financial Risk Management

The Holding Company is not exposed to market risk and has insignificant credit and liquidity risk as explained below :

| Risk | Exposure arising from | Measurement |
|---|---|---|
| 1) Credit risk | Cash and cash equivalents, trade receivables, financial assets measured at amortised cost. | Ageing analysis |
| 2) Liquidity Risk | Borrowings and other liabilities | Rolling cash flow forecasts |

**Credit risk**

Credit risk arises from the possibility that counter party will cause financial loss to the company by failing to discharge its obligation as agreed. The Company's exposure to credit risk arises mainly from the trade receivables, unbilled reveue, distributor commission and balances with banks.

Credit risks from balances with banks are managed in accordance with the Company policy. The Company's major revenue streams arises from services provided to end use customers in form of monthly subscription income. The trade receivables and unbilled revenue on account of subscription income are typically un-secured and derived from sales made to large number of independent customers. As the customer base is distributed economically and geographically, there is no concentration of credit risk.

The Trade Receivables includes amount due from inactive customers with outstanding in excess of one year. The Company is taking adequate steps for recovery of overdue debts and advances and wherever necessary, adequate provision as per expected credit loss model have been made.

The Company follows a simplified approach (i.e. based on lifetime ECL) for recognition of impairment loss allowance on Trade receivables and unbilled revenue. For the purpose of measuring the lifetime ECL allowance for trade receivables and unbilled revenue, the Company uses a provision matrix that is based on historical credit loss experience, adjusted for current and forward looking information which comprises a very large number of balances grouped into homogenous groups and assessed for impairment collectively. In addition, in case there are events or changes in circumstances indicating individual trade receivable is required to be reviewed on qualitative aspects, necessary provisions are made.

**Reconciliation of changes in the loss allowances measured using life time expected credit loss model - Trade receivables**

**4.13 Revenue from contract with customers**

**Disaggregation of Revenue**

As the Company's business activity falls within a single business segment viz. providing Cable Television services which is considered as the only reportable segment and the revenue substantially being in the domestic market, the financial statements are reflective of the information required by Ind AS 108 "Operating Segment". The nature, amount, timing and uncertainty of revenue and cash flows are similar across company's revenue from contracts with customers. Accordingly, there is no disaggregation of revenue disclosed.

**4.14 Contract Balances**

The Company classifies the right to consideration in exchange for deliverables as either a receivable or as unbilled revenue.

Trade receivable and unbilled revenues are presented net of impairment in the Balance Sheet.

The following table provides information about receivables and contract liabilities for the contracts with the customers.

| Particulars | As at | |
|---|---|---|
| | March 31, 2026 | March 31, 2025 |
| Receivables, which are included in 'Trade and other receivables' | 5.53 | 25.90 |
